

LADIES AND GENTLEMEN,

Please be informed that in our capacity as auditors we checked the SHOWCO accounts. In recent years, it was a pleasure to carry out this task together with Andy Böske. Andy was appointed to the SHOWCO Board. His designated successor is Marzellus Hellmann. Marzellus was kind enough to actively support this audit already. The cooperation with Marzellus worked very well. Because of the Covid regulations necessary documents were sent to us on Feb. 17th. this year, by the tax consultant who prepared the annual financial statements.

We carried out the audit by the way of random checks but did it of course diligently. It took a reasonable time.

We can confirm that Mr Seijnders filing of the records is very well. Any upcoming question possible had been answered promptly. The filing is well arranged and organized.

We would therefore apply for a formal approval, of those actions the director and the whole board of SHOWCO carried out, in the financial year of 2021.

Thank you.
